

Crossing Home-Moorhead Facts

- We strive to provide a safe and sober environment
- We are not a halfway house
- We are not a sober house (those who relapse are not automatically discharged)
- We are not a hotel
- All services beyond room and board are outsourced
- No government funding

Four Weekly Resident Requirements

1. Attend church on Sunday
2. Attend Celebrate Recovery
3. Participate in weekly house/community meeting
4. Attend a self-help meeting (Bible Study, 12-step, or as required by supervising agent)

Multi-phase

Phase 1 – in process of completing a mandated program; (graduates of programs such as IFI, MATC, and mandated treatment, and those without a mandate, typically begin at Phase 2); abide by guidelines and expectations; typically, six months in Phase 1; review each participant monthly and at six months; average stay is six months

Phase 2 – applying what you learn; only restrictions are those set by the parole agent (and agree to abide by guidelines and expectations)

Phase 3 – have moved into their own rented or purchased space; invited to continue participation in the community, but not required

Career Development Process

Tier 1 – entry level; earning minimum wage

Tier 2 – earning more than \$10 per hour

Tier 3 – involved in a career of their choice (earning more than \$18 per hour)

Assistance Offered to Participants

Help complete base file (SS card, government ID card or driver's license, etc.)

Help develop and implement a budget; incoming residents sign six-month lease, but financial arrangements are based on a covenant relationship

If interested, begin a relationship with Crossing Home-Moorhead as early as possible, beginning with an application. Eligibility for a particular house depends on space availability and any individual regulatory restrictions.
